

FLAGSHIP TRIP COMPANION

Central New York Route 20 Weekend

A two-day central New York plan that gives Auburn one compact history block, makes Skaneateles the leisure-oriented overnight, and finishes with a deliberate Cazenovia stop.

Day 1: Auburn -> Skaneateles. Day 2: Skaneateles -> Cazenovia -> optional eastern continuation.

Default overnight

Skaneateles when lake views, dining, walking, and evening atmosphere are the priority.

History alternative

Overnight in Auburn only when deeper history is the central purpose of the weekend.

Core rule

Choose Auburn + Skaneateles or Skaneateles + Cazenovia for a one-day version; do not compress all three deeply.

Confirm cruise schedules, reservations, event details, parking, historic-site access, lodging, road conditions, and weather before arrival.

DAY 1

LAKE-TOWN OVERNIGHT

Auburn to Skaneateles

AUBURN

Use one compact history or downtown block

If Auburn was already covered on the Seneca Falls-Auburn weekend, do not repeat a full multi-site day unless history is the main purpose of this trip.

SKANEATELES

Give the principal afternoon and evening here

Park once, walk the village center and lakeside parks, then add a meal, shopping, an event, or a scheduled cruise.

OVERNIGHT

Let evening atmosphere count

Skaneateles is the default leisure base because the lake-town portion continues after daytime crowds thin.

DAY 2

EASTERN FINISH

Skaneateles to Cazenovia

MORNING

Finish the lake-town plan

Use any planned Skaneateles village or lake activity before returning to Route 20.

CAZENOVIA

Choose one focus

Use downtown and a lake-facing pause, a meal and relaxed village walk, or Lorenzo State Historic Site when current tours, grounds, or programs fit.

CONTINUE EAST

Extend only when this is part of a longer trip

Sharon Springs and Cherry Valley belong to the next chapter when Cazenovia already has meaningful time.

Eastbound continuation

Protect Cazenovia: use it as a worthwhile second-day stop, not merely a road marker on the way to eastern New York.

ALTERNATIVES

TWO USEFUL PIVOTS

Choose the version that matches the purpose

History-focused alternative

Give Auburn the deeper historic-site or museum block and overnight there. On Day 2, shorten Skaneateles and use Cazenovia for the eastern finish. This trades evening lake-town atmosphere for more history time.

One-day: Auburn + Skaneateles

Use when history and the lake-town experience matter more than the eastern continuation.

One-day: Skaneateles + Cazenovia

Use when lake views, dining, walking, and a relaxed eastern village finish are the priority.

Do not attempt several Auburn historic sites, a Skaneateles cruise, extended shopping and dining, Lorenzo, and the eastern continuation in one compressed day.
